MEMORANDUM FOR THE RECORD

SUBJECT: W-2's to States - Overseas Personnel

1. Bureau of the Budget Circular A-38 (Revised), sets forth instructions to be followed by Government departments and agencies in furnishing State and other taxing authorities with information regarding taxable compensation paid Government employees.

2. In discussing the Circular with Mr. Graves, Bureau of the Budget (Federal-State Relations) Code 113, Extension 555, he indicated that while States were unhappy with the information, or lack of it, that they had been receiving, the varied treatment of overseas personnel was the cause for particular complaint. He stated that a meeting would be held in the near future with representatives of State, DOD and possibly ICA, for the purpose of fixing guidelines of general applicability. I indicated our interest in attending.

3. As the result of my call today, I learned that the meeting will be held within a week or ten days. Graves will call us as to date, place and time.
